General Local News.

WEDNESDAY, JULY 3, 1878.

We took a two days' trip to the

Spring, Rochester and Rockport. Our object was that of having a change in the time of carrying the mail from Rockport to Rochester, from Wednesday to Thursday, and soliciting subscribers and advertisements for the HERALD. While in Rochester, we George Peters Esq., who has been for had the pleasure of meeting Mr. L. forty years, and still remains, the senior Mendel, of that place, who is doing member of the firm. With a beginning the largest dry goods and clothing of one hundred and fifty acres, the nursbusiness in the Green River Country, eries have been from time to time in Mr. Mendel, assisted by two clerks, creased and improved, until to-day they county. It has a little resemblance of a Mesers, T. K. Bowles and S. H. Brewer, Jr. are kept constantly engaged. We were informed that his Troy, Ohio, about one and a half degrees pearance of cheese. It had neither root cash sales on Saturday previous were north from Hartford, and in the heart of nor top. Will somebody tell us what it \$700,00, being more than the whole the fruit-growing country. By fair and is. business done in any other town of honorable dealing the proprietors have the same size in the Green River gained a well carned reputation, and by

ing Miss Harris, of Greenville, and Miss Linnie Duke, of Rockport. Fine Fruit.

Mr. Chenoweth, general agent for salt-works, sear Brandenburg, in this Fairmount Nurseries, has exhibited to State, has been very closely examined by us the finest specimens of pears, the jury, and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury, and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury, and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury and recommended by them for had been suffering with rheumatism in the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the first specimens of pears, the jury and recommended by the pears of the jury and recommended by the pears of the jury and recom peaches, plums, grapes, strawberries, a premium medal of the first class: &c., that we have ever seen and as we Barnum, some time ago, a sample of the own food, or even raise my band to my are so favorably situated with good salt shows: climate and soil for fruit growing, we Chloride of sodium (pure salt)..... advise our friends to take advantage Chloride of magnesium chloride of calcium, sulphate of soda, organic matof the present opportunity to secure trees, of the fine varieties offered by the agents of Fairmount Nurseries. So much swindling has been perpe- experts at the Centennial, where it retrated on the fruit-loving public, that ceived the first premium, a medal and you should be careful to purchase only diploma; and the examination at Paris the citizens of Ohio and adjoining counfar ners a few miles north of here, fins costs you nothing and may save your reputation, and these gentlemen come purities than any other evaporated salt. to us with such good recommendations that it is pleasure to us to recommend them to our renders.
